**UKE-O-GRAM SINGING TELEGRAM SERVICE NOW AVAILABLE**

Okemos, MI

January 24, 2012

It's a singing telegram with a new twist – the ukulele! Lansing Area residents can now have a custom Uke-O-Gram delivered for a birthday, new baby, promotion, engagement, Valentine's Day, anniversary, new employee welcome, or any other holiday, event, or emotion you wish to celebrate or express in a very special manner.

Ben Hassenger, founder of Uke-O-Gram, is a talented and well-known performer in the area as a member of the popular band Mystic Shake and duo Blue Jello. He is also known as the "Ukulele Ambassador" of Michigan; serving as the leader of the Lansing Area Ukulele Group (L.A.U.G.H.) as well as the organizer of the "Mighty Uke Day" ukulele festival in Old Town Lansing.

Songs for any occasion are available; if you have a special tune you would like Ben to sing; he will be happy to do that. A song (or two), a personalized card, and travel within the Greater Lansing area is only \$49. (Other options and travel arrangements negotiable.) Cash, checks, and credit cards are accepted.
