

Running Out of Time
Lyrics and music by Ben Hassenger

I have miles and miles to go before I sleep
Lives to live, vows to keep
Hearts to cross
Ladders to climb
But it seems I'm running out of time

Sometimes I feel I should just fade away
Like a broken clock I'm right just twice a day
Got no meter, I've got no rhyme
Will I lose the game or will I run out of time

Time is the fire in which we burn
Time is the school in which we learn
There's so much I need to know
Please let it go a little slow-ow-er

Too few hours, so brief is life
For fussing and, fighting, struggle, and strife
Let's save our days for love
The future's fine
No longer we're running out of time
