

You Can Do That!

When your dreams seem like delusions
That will never be realized
When you're wrapped up in a ball of confusion
Your aspirations can be compromised

You can do anything you want to
You can be anyone you wish to be
Don't let their judgements daunt you
You belong somewhere you feel free

If you want to clap and sing - You Can Do That!
Tiptoe through the tulips in spring - You Can Do That!
If you just want to do your thing
You can do that, yes you can do that

If you want to dance with a bear - You Can Do That!
Wave your hands in the air - You Can Do That!
Act like you just don't care
You can do that, yes you can do that

Don't you ever be discouraged
Don't you find yourself comprimisin'
Within you is the courage
Exciting things are on your horizon

If you want to do something absurd - You Can Do That!
Want to fly like a bird - You Can Do That!
Roller skate in a buffalo herd
You can do that, yes you can do that

If you want to swing on a star - You Can Do That!
Carry moonbeams home in a jar - You Can Do That!
Get out of this town in your fast car
You can do that, yes you can do that
You can do that, yes you can do that
You can do that, yes you can do that
