[G] Don't blink
Or you'll miss life's little wonders
[Em] The special things
This world has to offer
[Am] Time is precious
[G] Don't blink

[G] You think, you'll get to it when
You're not busy
[Em] But life passes
Much too quickly
[Am] So fragile
[G] Don't blink

[Cmaj7] Sunrises up, sunsets down
[Gmaj7] Rainbows, pot of gold on the ground

[Cmaj7] A thought, a rhyme, a lyric, a verse
[Gmaj7] Soon fade into the universe

[Cmaj7] First cup of coffee In the quiet morning
[Gmaj7] Train whistle, blares a warning

[Cmaj7] Fireflies, songbirds singing
[D] Crack of the bat, the [D7] Tigers winning

[G] Don't blink
Or you'll miss life's little wonders
[Em] The special things
This world has to offer
[Am] Time is precious
[G] Don't blink

[G] In a wink

Children grow up so fast

[Em] Magic moments

You can't get back

[Am] Time is precious

[G] Don't blink
