

Let 'em Talk

Let 'em talk
Let 'em chatter
Let 'em gab
Let 'em blabber
Let 'em squeal
Let 'em squawk
Oh . . . let 'em talk

Let 'em gossip
Let 'em whisper
Even if they don't have
The whole picture
Let 'em murmur
Let 'em mock
Yeah . . . let 'em talk

They can speculate
About a scandal
It ain't nothing
That you can't handle
Rumors, rumblings
Scuttlebutt
They're just all
Out of touch

Let 'em dish
Let 'em dash
Turn a deaf ear
To their trash
Strut your stuff
Walk your walk
Oh . . . let 'em talk
Oh . . . let 'em talk
Oh. . . let 'em talk
