

Once is Enough

Don't stop believing
Don't stop dreaming
Don't be constrained
By your own ceilings
The world is much less rough
Filled with wonder and love
You just live once, if you do it right
Once is enough

So now you're all grown up
Got a steady job
House payment , bills, taxes
Just because
Expectations
Same old routines
Lost imagination
You forgot how to dream

Remember what it's like to be a kid
Think of all the little funny things you did
Splash in puddles on the sidewalk
Finding bugs and worms under rocks

Don't stop believing
Don't stop dreaming
Don't be constrained
By your own ceilings
The world is much less rough
Filled with wonder and love
You just live once, if you do it right
Once is enough

Regain your inner child
Break the rules
Push that big red button
When you've been told not to

Imagine
Play make-believe
You can be anything
You want to be

Remember what it's like to be a kid
Think of all the little funny things you did
Splash in puddles on the sidewalk
Finding bugs and worms under rocks

Don't stop believing
Don't stop dreaming
Don't be constrained
By your own ceilings
The world is much less rough
Filled with wonder and love
You just live once, if you do it right
Once is enough
You just live once, if you do it right
Once is enough
