

Zero Sum Game

You win
I lose
Demand
Refuse
Then the tables turn for more of the same

Triumph
Defeat
It's all
Binary
But life is not a zero-sum game

From hate we all suffer
From compassion we all will grow
So put away the swords
And peace will flow

Solo
Duet
Alone
Couplet
Together, we sing as one

You win
I lose
But we can change
The rules
Because life is not a game of zero-sum
